The Watauga High Athletic Department has announced that softball and track scheduled for today have been rained out.

The WHS softball game with East Wilkes and the WHS track meet at South Caldwell have been victimized by heavy rains. Watauga County is under a flash flood watch until Thursday evening.

The WHS tennis match at St. Stephens is still on for now, but a decision, according to the St. Stephens' Athletic Department, will be made by 2 pm Wednesday afternoon.
