If you haven't noticed, the Watauga High softball team has quietly put together a terrific season.

And the Pioneers aren't done yet. The Pioneers continued their march towards respectability on Tuesday night with a 4-0 win against Hickory at the Sports Complex. Freshman Michala McCune and sophomore Kim Robinson backboned the win as they combined on a one-hit shutout.

McCune who left the game in the fifth inning, coughed up an questionable infield single, struck out three and walked one. Katie Mathewson of the Red Tornadoes led off the top of fourth inning with a ground ball that went deep in the hole at between short and third that was ruled an infield single.

Otherwise, McCune was in complete control.

"I should have let her go the distance," said WHS coach Stephanie Long, who is making a strong argument for coach of the year honors in the Northwestern 3A/4A Conference. "But she's had some shoulder problems, and I didn't want to push her too hard. But Michala pitched a heck of game."

And Robinson wasn't too shabby, either. She struck out six of the seven batters she faced in her two innings of relief. Robinson also fueled the offense with a solo home run in the second inning and a run-scoring single in the fifth.

The win gives WHS (6-8 overall) a 5-5 record in conference play, and since WHS began playing fast-pitch softball in 1997, the Pioneers have never had a winning season in conference play. But the Pioneers, who are playoff-bound, can achieve that by winning their last two conference games (against St. Stephens on Thursday and against South Caldwell on May 6).

"I'm aware of that," Long said. "But we aren't caught up in team records, or statistics. We're just concerned about getting better every game. I thought we played a great game against Alexander Central on Friday. We didn't make any errors, and we were in the game.

"I wasn't real pleased with our intensity level today, but we still found a way to win this game. We're still young, and we're making improvements. I have a lot of confidence in this team."

The Pioneers take on St. Stephens at home Thursday afternoon at 4:30 pm. Senior Tori Wright of the Pioneers will officially sign her national letter of intent with Peace College, a Division III school in Raleigh, NC, and a member of the USA South Conference.

Tornadoes scored twice in the second half to break the game open. Jeanette Vines scored the only WHS (11-3-1 overall; 7-2-1 Northwestern 3A/4A Conference) with 15 minutes left in the game. The loss also knocks WHS out of first place in the NW3A/4A, and into a second-place tie with the Red Tornadoes. And the Red Tornadoes own the tie breaker for the No.2 seed because they've beaten St. Stephens. The Pioneers travel to St. Stephens on Thursday night.....WHS did win the JV game as the Pioneers bested Hickory, 2-1. Katherine Welch and Marcie Mahoney scored for the Pioneers. Cole Ellis had an assist.

The Pioneers turned in their best effort of the year in the final meet of the regular season. The Pioneers, playing on their home course at the Boone Golf Club, fired a season-best 314 and finished fourth.

Trey McNeil, Spencer Hodges and Ben Beason of the Pioneers all qualified for regionals on Tuesday afternoon. McNeil fired a 78, Hodges had an 80 and Beason finished with an 84.

Alexander Central was the only Class 4A school to qualify for regionals; Hickory and St. Stephens qualified for regionals in Class 3A.
