---

Here are scores from the middle school basketball games that were played on Wednesday in Watuaga County. GBR would to thank Andy Eggers for providing us with these updates. Also, the Hardin Park-Green Valley game was suspended in the

third quarter with the teams tied up at 20 apiece. The game would have been completed today, but since there isn't any school, the game will be finished on Tuesday.

Games scheduled for today will be played on Monday. The tournament will begin on Wednesday.
