Watauga High Athletics Director Tom Wright has announced that Monday night's scheduled game between the Pioneers and Fred T. Foard has been

postponed for a second time. The game was originally scheduled on Friday, January 25, but it was canceled by a snow storm that invaded the area that day.

Tonight's game will now be played Wednesday night. The Pioneers will open their four-game home stand Tuesday night against Alexander Central. Coverage begins at 6 p.m. on Oldies 100.7 FM.
