---

Watauga High baseball coach Pete Hardee has announced that Saturday's postponed game between the Pioneers and Charlotte-Providence has been rescheduled for Saturday, April 13. As of now, that is

a home game for the Pioneers, who have not played a home game yet this season. WHS travels to Hibriten tonight (coverage begins at 6 p.m. on Classic Hits 100.7 FM); Tuesday's home game with St. Stephens will now be a road game because of possible inclement weather and poor field conditions.

The Pioneers are also looking to make up two other games that were called off due to inclement weather---Ardrey Kell (March 2) and North Davidson (March 6). Possible playing dates for those games are still pending.
