Watauga High boy's tennis coach Scott Taylor had announced earlier today that the Pioneers (8-5) were going to play Asheville-Roberson (14-0) in the

second-round of the North Carolina High School Athletic Association Class 4A State Dual Team Playoffs at the WHS Tennis Courts.

But a steady rain has postponed the match for the second time in as many days. WHS Athletic Director Tom Wright made the official announcement at 2:30 p.m. this afternoon.

The match will now be played Thursday at 4 p.m.
