The Watauga High track meet scheduled for today has been rained out, and it has been tentatively reschedule for Friday afternoon at 4:30 p.m. at Jack Groce Stadium.

And today's tennis match between WHS and Hickory has been rained out as well. No make up date has been announced as of yet. Today's softball game between WHS and Alexander Central down in Taylorsville is still on as scheduled. Remember, the varsity goes first at 4:30 p.m. The JV game will follow, depending on the weather and field conditions.
