Watauga High baseball coach Pete Hardee has announced that Friday's game against Alexander Central has been rained out, and will be made up on Monday night down in Taylorsville.

The Pioneers are currently in first place in the Northwestern 4A Conference, and they've won four in a row. Monday's game can be heard on 100.7, MAC-FM beginning at 6:05 pm. Saturday's game at Mount Tabor is still on as scheduled, but there is an 80% chance of rain in the forecast.
