Watauga High Athletics Director Jeff Link has announced that Thursday's women's soccer match with Ashe County has been cancelled and won't be rescheduled.

And the WHS men's golf team has dropped out of the Willow Creek/High Point match scheduled for Thursday afternoon because of missed class time.

Also, no make up dates have been announced for the WHS tennis matches with A.C. Reynolds and McDowell that were postponed this week. According to Link, an announcement concerning these matches should be made shortly.
