CBS Sports has announced that Duke and North Carolina will be broadcast in prime time.

The Tar Heels and the Blue Devils, one of the most intense rivalries in sports, will be televised at 8 pm eastern time, Saturday night, March 5, 2011. It will be the first time this heated rivalry will be on prime time television.

It's a match up that features the last two national champions. The series began in 1920, and the Tar Heels hold a 130-99 advantage. Duke or North Carolina have also taken 14 of the past 15 ACC tournament championships and have won or shared 12 of the past 14 regular-season titles.

And dating back to 1991, the Blue Devils and the Tar Heels have captured seven national titles between them, including the last two.
