

Presidential candidate Hillary Clinton is coming to Blowing Rock this weekend- and a local band plans to show her what the High Country is all about.

The Watauga Community Band is the scheduled entertainment for Clinton's reception. According to Board of Directors member Steve Frank, it's an honor, no matter what political party you support. In fact, the idea was met with zero dissention, Frank said.

No matter what your political affiliation, it's an honor, he said. Musical selections will be primarily patriotic, Frank said. Clinton's fundraiser is Saturday at the Westglow Resort and Spa. The minimum contribution for the event is \$2,300. For more information, call Ben Pollara at (305) 569-2888.
