Teen murder suspects 18-year-old Tabitha Messina and 19-year-old Carlos Christopher still await extradition in an Avery County detention center.

The pair were discovered early Monday in the Parkview Lodge parking lot in Linville Falls after allegedly fleeing the scene of a double homicide Sunday. The two are accused of killing Messina's father, Richard Messina, and girlfriend Sandra Cover. The victims were found beaten to death in the bedroom of their South Euclid home, which is just outside Cleveland, Ohio. The suspects waived their rights to an extradition hearing. No word on when Ohio authorities will be by to transport the pair back to the Cleveland area to face aggravated murder charges.
