Applications for the 2007-08 North Carolina Teaching Fellows Scholarship/Loan Program are available online starting today. The deadline for students to return completed applications to the Fellows Liaison Counselor in their high school is October 19. The program was created in 1986 by the General Assembly in attempts to meet the increasing demand for teachers in North Carolina. Teaching Fellow recipients get a \$26,000 scholarship loan from the state, payable in \$6,500 increments. The full loan is forgiven once the recipient has completed four years of teaching in North Carolina public schools. Applications are available at www.teachingfellows.org
