

Cruise-In tonight

Written by

Thursday, 23 August 2007 20:00

Tonight's Cruise-In in Blowing Rock offers High Country citizens and visitors the chance to see vintage autos and hear bluegrass music.

Vehicles will cruise into town around 6 p.m. and will be on display until dusk in downtown Blowing Rock. Local country and bluegrass group New Cut Grass plans to perform- and the event is free to the public. The Cruise-In is sponsored by the Blowing Rock Chamber of Commerce. For more information, visit www.blowingrock.com . For more High Country happenings, visit the bulletin board at www.goblueridge.net
