

Town of Beech Mountain water crisis

Written by

Monday, 10 September 2007 09:16

The Town of Beech Mountain officially declared itself to be in Stage I Water Conditions. In doing so, Beech Mountain joins Boone and other communities in asking its residents to implement voluntary water conservation measures. A list of these measures is available at

www.townofbeechmountain.com

. Anyone with questions is encouraged to contact Public Works at 828-387-4236.
