

Band traffic stops this weekend

While weekend traffic stops in Linville and Newland are planned for Saturday, it may not be enough to send 70 Avery County High School band members to Miami, band director Dee Raby says.

Raby announced earlier this year that her band had been chosen to perform at the Orange Bowl- an invitation that is both an honor and an expense. It costs each \$1,100 per child, Raby says- but it's a once in a life time opportunity.

They've already made one payment- but the next is due October 2, she says.

Businesses wishing to sponsor the Marching Vikings can contact Raby at Avery County High School.
