Injuries were reported in a Crash just after 7pm just off of East King Street in Boone. The vehicles involved—a pickup and a Toyota RAV4—ending up on Forest Hills Drive. Boone Police says that Nicole Bennett of Boone ran the red light at the New Market Blvd. / King Street intersection, her RAV4 slamming into the truck driven by Robert Hotchkiss of Mountain City. Hotchkiss' wife was taken by Watauga Medics to Watauga Medical Center, Boone Police saying that a little girl in Bennett's car suffered a bump, but was not transported and that Nicole Bennett was cited for the red light violation. Boone Fire responded to the scene and dealt with traffic and first aid while Boone Police investigated.
