A Citizens for Change Meet the Candidates Forum is scheduled for Monday- but you won't be hearing about it on our stations.

The reception is by invitation only at the Fairway Café. Not even the press is invited to the event- it's exclusively for realtors, inside sources say. Citizens for Change endorsed candidates expected to be present include mayoral candidate Tim Wilson, incumbent councilman Dempsey Wilcox and council candidates Ethan Dodson and Stephen Phillips. The purpose of the reception is to discuss how the election will affect the real estate industry.

Citizens for Change, a newly formed Boone-based political action committee, has been causing quite a stir among candidates.
