---

Follow the yellow brick road this weekend- straight to Oz.

Beech Mountain Chamber of Commerce's Peggy Coscia expects thousands at this year's Autumn at Oz, inspired by the classic Wizard of Oz. Make a day of it, she says.

Coscia says get your tickets, then grab a nice lunch at one of Beech's restaurants before getting in line.

It will be a day to remember.

"It's a nostalgic walk on the yellow brick road," she says. It used to be an Oz theme park, but now it's only open two days a year.

**All the Oz characters will be there- and Coscia encourages you to dress up. A real munchkin from the original movie will be on hand to sign autographs. It all happens Saturday and Sunday. For more information, call 1-800-438-7500.**
