Saturday marks the 17th Annual Sugar Mountain Oktoberfest Celebration at Sugar Mountain Resort. Over 40 artisans and craftspeople will have work on display.

A chairlift will take guests up to Sugar's 5,300-foot peak where they can enjoy the fall foliage. A children's activity center will keep kids entertained. An Oom Pah Band as well as beer and good food will complete the day at Sugar Mountain. For more information, call Sugar Mountain Resort at 828-898-4521.
