Two Warrensville residents were injured when the car they were travelling in flipped and was flattened Sunday evening. The state patrol said that the 2005 Nissan was driven by Amber McWatters, and that she was traveling too fast on Deep Ford Road, lost control, and flipped the vehicle, which landed on its top. Passenger and vehicle owner Timothy Tilley, 29, was injured along with McWatters, but both refused transport to Ashe Memorial, but sought treatment on their own following the 6:40pm wreck. Amber McWatters, 23, was cited for Reckless Driving and Driving While License Revoked, and Tilley faces Aiding and Abetting charges for allowing the unlicensed woman to drive his vehicle, which was totaled in the wreck.
