One fatality was reported in a wreck involving multiple cars and a tractor trailer according to the Watauga County Sheriff's Office.

The wreck occurred between the greenbox container site and Valle Pantry on Highway 4-21 North at 7:30 this morning. Traffic was blocked in both directions. The Watauga Sheriff's Office said there was one fatality. There were no other injuries reported.

The Sheriff's office is recommending alternate routes by way of Silverstone road to Old 421, or Old 421 to 321 North.

Walls Road was a possible detour. It is now blocked by another tractor trailer using it as a detour.
