Six suspects are being investigated in a 15-month-long theft that resulted in an elderly man losing over \$40,000. 30-year-old Jessica B. Holman of Warrensville has been charged with 10 counts of obtaining property under false pretenses- and more arrests are expected. Police allege that Holman electronically withdrew money from the victim's account at Yadkin Valley Bank. West Jefferson Police Department is investigating over 100 different incidents in the case.
