---

It's the 10<sup>th</sup> Annual America Recycles Day. Today's a great day to start purchasing recycled products and recycle used cans and bottles. America Recycles Day Corporation has several tips on how to be a better recycler. Cleanliness counts, they say. Rinsing cans and keeping boxes out of the weather makes them easier to process, according to the Corporation's website. Plastic grocery bags, Styrofoam, lightbulbs, food-soiled paper and wax paper are not recyclable. For more recycling tips, visit <http://www.nrc-recycle.org>
