

Blaze Destroys Avery Structure

Written by Steve Frank

Monday, 07 October 2013 05:56

Frank firemen, backed up by Green Valley, Elk Park, and Newland, battled an early afternoon blaze yesterday at a structure on Roaring Creek Road. The 12:45pm call was to 3293 Roaring Creek, where an outbuilding was found on fire, and was nearly totaled before the first water was put to the fire. Frank firemen said that they were unable to determine the cause of the fire due to the amount of damage, but that it did not damage other structures on the property.
