

One-Stop Stop-By Meeting Today

Written by Steve Frank

Monday, 24 February 2014 08:46

This afternoon and tonight , Watauga citizens get to weigh in on one-stop voting locations. The meeting starts at 5 and goes to 7, with the Watauga Board of Elections taking those ideas and suggestions at the Commissioners meeting room in the county office building. The board created controversy last year with issues of one-stop voting in one of a number of issues that put voting in Watauga County in the national news.
