Lost Dog: Loki

Written by Noah Lockamy Tuesday, 03 January 2012 11:18

Loki is a 5 year old, neutered, male, full-blooded Husky. He is black and white with blue eyes. he weighed appoximately 75 pounds when he went missing. He is wearing a blue collar with tags. The tag reads Maya, which is the wrong name, but the correct address and phone number are on the tag. He was last seen on December 28 on Bud Teems Road which is near Watauga High School. A reward is being offered. If you have seen Loki or may have him please call 828-297-6590 or 828-268-1252.
