

Lost Dog: Doc

Written by Noah Lockamy

Thursday, 16 February 2012 10:44

Doc is a brown 40 lb boxer/beagle mix. He is 4 years old. He was last seen January 31 at approximately 6pm in the Mill Ridge neighborhood in Foscoe. He had a leash and a collar on with tags. He took off into the woods and has not come home. He comes out of his collar pretty easy so he may not have it on at this point. He is very friendly. He has a pretty noticeable underbite. He is very loved and missed. Please call Shannon at [828-406-2472](tel:828-406-2472) or Matt at [828-260-5866](tel:828-260-5866) if you have any information.
