There is a male Lab/Norwegian Elk Hound mix dog missing. He ran off during the storm on March 15. He is 15 years old, black and very furry, weighs approximately 75 lbs, and has arthritis in his back hip and front paw. He doesn't have his collar and tags on. His name is Sampson, and is hard of hearing and doesn't see very well. He was last seen in the Linville Creek, Charlie Thompson Road vicinity. If you have seen Sampson or may have him please call 297 1147 or 773 2895.
