Maisie is a 15 year old beagle, weighing about 30 lbs. Maisie is mostly deaf, she was wearing a red collar with tags, but does lose her collar when chasing after bunnies. She is caramel and white in color. Maisie went missing on Saturday, Nov 30th in the morning around the Deerfield Estates - out off of Little Laurel Road on the other side of the parkway from Boone. She has been seen as far as Aho Road, so we are hoping she has chased some poor rabbit and can't find her way home. She does not really like other dogs, but she loves people and she is always hungry.
