Yellow Mix breed dog named Nina went missing Friday, 12/16 in the Montezuma Area near Newland. Nina is 6 years old, yellow in color, with a black muzzle and black markings around her eyes and ears. She is spaded, about 45 to 50 pounds, wearing a blue collar when she went missing. Nina is probably very scared, but she is normally very friendly. If you have any information, please call (828) 260-6466.
