On Sunday, August 3, a sweet female, lab/chow mix was found wandering in the vicinity of 321/App Ski Mtn. Road/Parkway. She weighs about 50-55 pounds and appears to be 5 to 7 years old. Very sweet and very calm. She had a purple collar made of webbing, but no tags. She appeared to be very well fed, well cared for and very loving. She has been taken to the Humane Society, so if this sounds like your dog please contact the Watauga County Humane Society for more information.
