

FOUND!

I am a neutered male dog. I was found in Crumpler. I have a faint black line going down my tail. I am very friendly, I am trained well. I don't have a collar so I can't let you know what my name is. I miss my home and family. I will sit and watch the road looking for them. If you know me and who I belong to please call **336-982-4578**.
