HE IS BACK HOME WITH HIS FAMILY SAFE AND SOUND!!!

A male dog was found today in the Ridgecrest On The Parkway subdivision just off of old 421. He appears to be a bird dog mix...he has a white body, a long feathered tail and his head is black. He may have a few spots on his body. He is wearing a blue collar but no tags. He weighs about 35-40 pounds. He has not been neutered. He is very friendly.
