FOUND DOG

We have a new addition to our family. He wandered here Monday night and hasn't left. We live off of Friendship Church Rd. (near Aho Road). Very friendly, loving, and well behaved. Came home with my dogs and has made himself at home. Lays in the floor or on the couch. Never barks. Looks like Lab. Face is white, ears are tan, one eye is tan, and body is tan. Has black collar and invisible fence collar but no tags. Call 828-265-9082
