A benefit golf tournament will be held this fall to benefit Bradley Swift, who is a Boone Police officer who has been recently diagnosed with leukemia.

According to Sandra Puckett, who is helping organize the event, organizers are currently asking for hole and tee sponsors at \$100 each.

Puckett said organizers are also looking for prize donations.

Interested golfers can register to play by E-mailing Puckett at SwiftGolf@att.net . Puckett said registration costs \$75 per player with four person teams.

The golf tournament is scheduled for Saturday, October 3, and will be held at Sugar Mountain Golf Course.
