LOST DOG

A one year old neutered male Wire-hair Jack Russell was lost on 08/07/2009 in the Beaver Dam/Bethel area. He is all white with a few black spots on his ears and tummy. His name is Frosty and he is very, very shy. He was wearing a harness when last seen. If you have seen this shy little boy, please call Jamie @ 828-297-7539 or Michael @ 828-773-9621.
