LOST DOG

A male Border Collie went missing on Saturday, 10/17/2009 from Blackberry Road in Boone about 1 1/4 miles south of the Parkway overpass. His name is Jack, He is 15 years old and completely deaf. He responds to hand motions. He has bad back legs. He is wearing a red collar with the phone number 828-295-9532 on it. There is a small reward.

****Note from owner...It will be a miracle if Jack is still alive...I need to know regardless. If anyone finds Jack...please call me...if he has passed on I would like his body to bury. Please call Sarah at 828-295-9532.
