## 2 LOST PUPPIES

We have lost 2 male blue tick hound puppies in the Clarks Creek Road community between Valle Crucis and Foscoe ON 11/09/2009. These puppies belong to my two children, Dalton and Emma Grace.

The puppies are approx 3 months old. They do not have collars on. One puppy, Rowdy, is heavier than the other and whines a lot. The smaller of the two, Spike, is much more timid than his brother.

Contact numbers are John Hodges -828-964-5928, SueAnn Hodges 828-964-0184;  
Address is 2222 Clarks Creek Road, it's the driveway above the Seven Day Advent Church with a red dump truck at the end.
