## **FOUND DOG**

We call him Bo and he appeared on our deck Halloween afternoon. We live on Dugger Firetower Road off of Sampson Road in Watauga County. We are about mid way between the parkway and Buffalo Cove Road. Bo is about 4-5 years old but acts like a puppy. Loves to play fetch and tug of war. He responds to most commands at once but we are working on his jumping and walking on a leash! He is very strong and pulls me! He is extremely affectionate and friendly and gets along well with our dog but the cats are afraid of him. He is house broken and sleeps on our sofas! If you are missing this sweet guy please call:
