## LOST DOG

**LUCAS IS HOME SAFE AND SOUND!!!!**

Our elderly border collie got away tonight (Monday, Dec. 7th) at about 9 pm. Lucas is a neutered male and is 12 years old. Lucas is wearing a red collar with his rabies tag and a blue tag that shows he is microchipped. Lucas may be confused and frightened. He has severe arthritis, and can not be held by his collar or head, as this causes him extreme pain. He may come when called, if he does not, please call and let us know where he was seen. He sometimes has problems walking, due to arthritis in his hips. He has several health problems and lives indoors. He has some vision problems, especially at night. Lucas is missing from the Mount Jefferson Road/ Ashe County High School area. He was last seen at Lowe's Foods on Mount Jefferson Road. He is very loved and we are desperately trying to find him.

If you see him, please call Cyndi at 336-846-2299 or 828-406-0767.
