LOST DOG

We have lost our 4 year old Great Pyrenees boy. he's been missing since Thursday, February 4th, 2010. He's solid white with a scar on his forehead. He's neutered. He weighs about 115 pounds and has a black collar with paws and crossbones on it. his name is Judd and his goats miss him very much. He was lost in the Newland/Montezuma area and can be anywhere because he likes to roam.

Please call Dolly or Morgan Rose with any information at all: Dolly:(828) 406-3225
Morgan rose: (828) 406-7522
