The Watauga High-Ashe County basketball games scheduled for Tuesday night have been postponed due to inclement weather.

No make up date has been officially announced, but there is a possibility that the games might be made up Wednesday night at Lentz-Eggers Gym.

The contest will officially be played Wednesday night and the games have been moved to West Jefferson. It all begins with the JV girls at 4 pm. The January 6 game between the schools now becomes a home game for WHS. Our coverage Wednesday night begins at 6 pm on Oldies 100.7 FM.
