Watauga High Athletics Director Tom Wright has announced that Monday's tennis match with Wilkes Central has been postponed and rescheduled for Tuesday.

The Pioneers (8-2 overall; 7-0 in the Northwestern 3A/4A Conference) have an open date on the schedule, which allowed the schedule change. Originally, WHS was scheduled to play Alexander Central on Tuesday, but those teams played a double-header in Taylorsville back on March 11.

The WHS tennis team travels to Hickory on Thursday.
