And former Watauga High soccer coach Doug Kidd was named the Class 2A Region 4 Coach of the Year. Kidd, who won 335 games with the WHS men's and women's program during his 17-year stay with the program, has led Swansboro deep into the playoffs during his three-year tenure with the Pirates.

He led the men's team to a pair of regional finals, and he led the women's team to consecutive state championships. The Swansboro women were denied a chance at a third state title, when they lost to Carrboro in the Eastern Regional finals May 19.
