Watauga Junior American Legion B Team coach Dustin Kerley has announced that Monday night's game with the South Caldwell A Team will be moved to a new location.

Tonight's game will be played in Sawmills at South Caldwell High School beginning at 5 pm.

"We have to make the move, because when it rains, our (Pioneer) field cannot hold water very well," Kerley said. "With the schedule winding down this week, we have to get these games in." The B Team is scheduled to play a make-up game at home Tuesday night against the South Caldwell B Team. But there's a 60% chance of rain in the forecast for Tuesday. The Watauga A Team plays a make-up game in Lenior against Hibriten tonight at 6 pm.
