The Watauga Community Band is looking for Avery musicians to join in the Celebration of Avery's Centennial this July. If you still play—or even if you played years ago and just want to get back into the swing of music, now's the time.

The Watauga Community band will take part in the Avery Centennial on July 30th during the parade and arrival of the Governor, and we would love as many Avery musicians to join us as possible.

Just get your horn and come to practice, Tuesday evenings at 7. Our June 28th rehearsal is at the new Watauga High School, our July 5th practice is in the space just off center court in Boone Mall. If you want information, call 828-414-1027. Looking forward to having you join us for the Avery Centennial—and beyond! Check us out at www.wataugaband.org.
