Boone Police yesterday investigated the robbery and assault of a man near Boone Mall. The 6pm incident was near the bus stop that uses the mall lot for passengers. Police found the victim near the front of the mall, suffering some injuries from the assault, reporting that he had his wallet and other good stolen, but that he struggled to keep his duffle bag,

which apparently lead to the scuffle. Police issued a BOLO on two white male suspects involved in the robbery/assault, but have not reported finding the two. The victim was treated by Watauga Medics at the scene for his injuries.
