The Appalachian State athletic department has announced it will officially release the ASU men's basketball schedule Wednesday at 2 pm.

ASU, under second-year coach Jason Capel, was 15-16 last season. The Mountaineers lost to Wofford in the quarterfinal round of the SoCon tournament in Chattanooga. This year's schedule, according to David Jackson the voice of the Mountaineers, will be extremely entertaining.

WATA 1450 AM will once again be your home for Mountaineer athletics in the High Country during the 2011-12 season.
