A scooter driver was hurt in a crash on NC 105 just out of Boone yesterday afternoon. The 3:15pm call was to a Victory Lane address just above Flintlock Campground, and troopers at the scene indicated that it appeared the driver just lost control going down the hill, and skidded onto the shoulder of the road. Watauga Medics rushed the man to Watauga Medical Center for treatment of his injuries, but it was not clear how serious the injuries might be.
